UPstage 360 has built-in ambiance sound therapy function that combines natural sounds with often cited frequencies. These specially blended mixes of a river, forest, crystal music, and mantra chanting will help listeners stay calm, focused, and relaxed for better sleep quality.

Uplifting
Brighten up your day with crystal chimes and uplifting beats.

Quiet
Hear the whisper of the forest, away from the hustle and bustle.

Balance
Stay calm. Retrieve your inner peace and balance with harmonious chanting.

Meditation
Flow with the babbling brook and increase mindfulness for your meditation.
